

ELECTRONIC FUNDS TRANSFER

Dear Homeowner:

We are happy to continue to offer Electronic Funds Transfer, a method of making your life easier by eliminating the need to write a monthly check for your Association dues.

The withdrawals from the participating homeowner's account will be made on the fifth business day of each month. Your bank account statement will, of course, reflect this withdrawal. Not only will participation in the program make it easier for you, but also it will help your Association's financial picture by improving cash flow and reducing collection costs. We hope you will take advantage of this modern, efficient program.

Complete the Authorization Form (below) and return it to Niagara Neighborhood Management.

There is no cost to you, the homeowner, or the Association for this service. Please call with any questions to (317) 852-8360.

AUTOMATIC PAYMENT AUTHORIZATION

COMMUNITY: Robertson Village
